

2nd Florida State Festival

Scholarship Opportunity

Friday/Saturday, March 5-6, 2010

The Florida division of Area IV, AGEHR is offering a scholarship covering the cost of registration and lodging for one night (Friday, March 5th) for our festival in Tampa, FL. Travel and meals (outside registration) are not included. We encourage first time attendees to any handbell event to apply.

Applications must be received by January 15, 2010. Results to applicants by January 20, 2010.

Eligibility:

1. You must be a member of AGEHR to apply. (For membership information, see www.agehr.org.)
2. Preference will be given to a FL resident who has not previously attended any ringing event sponsored by Area IV, AGEHR. (This does not include any who might have recently attended our National Seminar held in Tucson, AZ this past August as that is not an Area IV event.)
3. If none apply or are eligible from FL, next preference will be to anyone in Area IV, including GA, SC, Puerto Rico, Bahamas and the Virgin Islands.
4. After that, any applicant wishing to attend this event will be given full consideration as long as they are a member of AGEHR.

Please PRINT clearly
