

Class offerings for August 14, 2010, Tampa
“SO, you THINK you can RING?”

Instructors: Lynne Marks, Jeff Jordan, David Brown

You Want Me to do What with These?: Lynne Marks

You will be introduced to the multiple bell techniques of treble bells, including 4-in-hand, shelley, bells with chimes, effective stopped and damping techniques, and proper assigning. Please "tree" and bring treble bells from your own sets from C6 and above, being sure to bring the 7's (C6&C7, D6&D7, E6&E7, etc. for shelley), and diatonics (C, D, E, F6 or G, A, B6, C7 for 4-in-hand).

Handbell Search Engine: Lynne Marks

A roundtable discussion format regarding AGEHR membership, how to become more involved and what AGEHR has to offer.

Playing Musically – Ringing Beyond the Score: Jeff Jordan

This class will review the elements of music including expression & tempo markings, dynamics, articulation, phrasing, texture and form. Then, using the same elements, we'll explore what we must still add to our playing to make it musical.

Basic Rhythmic Concepts: David Brown

A quick fun way to teach & play rhythmic patterns without spending hours in a Theory Class. The class will center on finding the beat, subdividing, understanding time signatures and counting systems, both traditional and nontraditional.
