Myrtle Beach, South Carolina, March 9-10, 2012

Handbell Musicians of America—Area 4

Nancy Tipton, event coordinator (864.787.5688/ntipton@bobjonesacademy.net)

Tim Waugh, clinician

Internationally acclaimed conductor, composer, and performance arts educator Tim Waugh is well known in many performance mediums, including handbell, choral, church music, and musical theatre. Early in his career he became noted for his work in conducting and teaching children and youth, and he is excited to continue those pursuits while working with children of all ages! He is a tireless champion for performance arts in both the classroom and the community.

Recently retiring after a career spanning over thirty years of public school music education in southern West Virginia, Tim has more time to pursue other facets of music-making! When not on the road conducting or teaching at one of over twenty festivals and workshops a year, or composing and writing from his studio, he serves as Artist-in-Residence at Beckley Presbyterian Church. Tim has been associated professionally with church music as a career for over forty years.

His compositions of liturgical, choral, organ and handbell music are published in the US by nine publishers and have been played across the world and in outer space! He is often commissioned to write new compositions for events and festivals. His conducting, workshops, and performance travels have taken him to almost every US state and to Canada, England, Ireland, and Puerto Rico—and the list continues!
